

## **IN NEED OF LOVE**

**Lisa Simone/Hervé Samb**

### **Verse I**

**The Lady is a woman in pain  
Her heart's been broken over and over  
And over and over again  
It bleeds freely touching everyone she meets**

### **Chorus**

**She needs Love  
Cause she doesn't feel anymore  
Her heart is so hard  
She can't feel anymore  
She Needs Love  
Love**

### **Verse II**

**He's an attorney always suffering  
On the outside he's got a skin disease  
Something happened when he was young  
Scarred him so deeply he became the bully**

### **Chorus**

**He needs Love  
Cause he doesn't feel anymore  
His heart is so hard  
He can't feel anymore  
He Needs Love  
The Light of Love**

### **Bridge**

**These people are not uncommon  
They're everywhere and everyone we know  
But the one thing we all have in common  
Is the pain we carry one and all**

### **Chorus**

**It gets so hard  
Cause our hearts have been broken  
Over and Over again  
We Need Love  
Gonna stand in the Light of Love  
And know that it's Alright  
We Need Love**
