

TOUCHY SUBJECT

Lisa Simone/Hervé Samb

I

How do you tell someone that
Something that they do
You tell yourself is no big deal
But still it eats away at you
So much a part of who they are
They're just doing what they do

CHORUS

It's a Touchy Subject
I don't know how to talk about it
And I don't know what to do
All I know is I can no longer
Suffer because of you

II

How do you communicate
debilitating doubt
That chokes like a reflex
When they open their mouths
So caught up in their story
They believe it themselves

CHORUS

It's a Touchy Subject
I don't know how to broach it
And I don't know what to do
All I know is I can no longer
Suffer because of you

BRIDGE

**Don't wanna hurt your feelings
Don't wanna insult you
Don't wanna make you feel bad
But you're forcing me to go there
And I don't really wanna go there**

**Don't wanna hurt your feelings
Don't wanna insult you
Don't wanna make you feel bad
But you're forcing me to go there
And I don't really wanna go there**
